

**SLO Healthcare Workforce Partnership
Recruitment & Retention Committee Meeting
June 26, 2024**

Agenda

Discuss the following topics and determine actions to be taken:

- **Healthcare Organization Critical Occupational Needs Questionnaire:**
 - Review the preliminary results of the Healthcare Organization Critical Occupational Needs Questionnaire.
 - Analyze the responses provided related to recruitment and retention challenges, successful strategies being used, and performance metrics being tracked.
 - Determine what action to take based on these results.
- **Competitive Salary Research:**
 - Assess whether the Questionnaire results provide insight into specific critical need occupations that would benefit from competitive salary research.
 - Determine what action to take based on these results.
- **Partnership Community Engagement Forum Planning (early November 2024):**
 - Determine the format for the program related to Recruitment & Retention for the Fall Community Forum.
- **Career Exploration Program:**
 - Determine how to support the Career Pathway Committee in hosting a Career Exploration Program to be included as part of the Community Engagement Forum in early November.
 - Identify who is interested in participating.
